## WISCONSIN LEADERSHIP SEMINAR

### **Evening Activity Descriptions**

Come join new friends and WILS staff to connect in a more casual setting. You can put your trivia knowledge to the test, connect with students over the same interests and more! You've worked hard all day at growing your leadership skills and now is the time to have fun and let loose! These activities will run on Thursday, 5/20/21 from 8-10pm and Friday, 5/21/21 from 7:30-9:30pm.

- All evening activities will take place in the 'Sessions' area of the virtual platform. Just login to Hopin and click 'Sessions' on the left hand side to find the "rooms" where everyone is hanging out.
- The networking area of the virtual seminar will also be open both evenings if you just want to pop in and chat with people. After you login to Hopin, click 'Networking' on the left hand side. You will automatically be matched up to chat with someone else looking to meet new people and make connections.
- You can drop in any time to the Break the Ice sessions to hang out and meet people. The other sessions have a start time because we will be playing a game that might be harder to join once it starts.
- Don't be shy! No one will know each other in advance, and everyone is looking to meet new people and have fun!
